CONSISTENTLY RANKED AS A TOP 100 ROOFING CONTRACTOR

At Stellar Commercial Roofing, we understand the importance of structural integrity and that contract relationships are built on trust. We are an experienced commercial roofing services provider that specializes in retail, industrial, education, religious and multi-family structures.

Stellar Commercial Roofing operates and is licensed in several states nationwide. Our clientele is diverse, from large management companies to individual and corporate property owners.

OUR HISTORY

1,600 PROJECTS COMPLETED

**UP TO 6 MILLION SQ. FT. RESTORED
PER YEAR ACROSS 200 PROJECTS**

**13-YEAR TRACK RECORD WORKING
WITH CLIENTS AND THEIR CARRIERS**

**CENTRAL FOCUS ON COMMERCIAL
PROPERTIES REQUIRING TOTAL ROOF
REPLACEMENTS ACROSS THE U.S**

COMMERCIAL ROOFING SERVICES

TOTAL ROOF REPLACEMENTS

Whether it is a scheduled CapEx project or a loss due to a weather-related event, Stellar has the experience and capacity to complete any roof replacement project. Putting a new roof on a business is a big, often complex job, and you can rest assured it'll be done right when partnering with us.

EMERGENCY ROOFING SERVICES

When disaster strikes and your roof is impacted, an immediate response is necessary to minimize damage and safeguard assets. With highly trained personnel on-call and ready to act, Stellar is a trusted emergency commercial roof repair partner.

INSURANCE LOSS EVALUATIONS

After a storm event, our goal is to restore every building to its pre-loss condition. We will connect with your insurance carrier to communicate the amount of damage to your building, the appropriate replacement and the reasonable cost of replacement.

SAFETY

A PART OF OUR CULTURE

Our in-house Health, Safety and Environmental team is dedicated to operating our business in a manner that protects the health and safety of all employees, subcontractors and the public. Our culture is one that promotes a safe and healthy work environment by following all applicable laws and regulations and applying best practices where laws and regulations do not exist. Our dedication to safety also extends to the communities in which we work, as we are committed to making environmentally sound decisions.
